

## 2010 SYSA Spring Soccer Team Registration

*Please consider making a tax-deductible donation to the Neil Callahan coaching fund or for scholarships.*

The following instructions are available as a separate document for printing at this link.

### Quick Registration Instructions:

Log in, click Register Now, find and IMPORT your team, select a team contact, verify your roster, make online payment (unless your club is paying).

### Detailed Registration Instructions:

1. **Log in to your existing SYSA Bonzi account**, or create a new one. If you don't have an account at sysa.org, the easiest thing to do is create a new one with the same user name and password as your club account.
2. **Click Register Now** and select 2010 Spring Soccer.
3. **Read and sign** the waiver.
4. **Enter your team number (see help finding your team number at the bottom of this page) and then select:**
  - Season 2009-10
  - Your team gender and age for last fall
5. **Click Search.**
6. **Find your team** and click IMPORT.
7. **Select the Playing Age** to be the NEXT YEAR's age (1 year older than you played in last fall).
8. Choose whether or not to make a donation, then click Next.
9. **Click the TC radio button** for the person who will be the team contact for the City Tournament.
10. **Verify that the roster** correctly lists the adults and players on the team. You may delete and add players to the spring roster. Use legal first names not nicknames.
11. **Add your electronic signature** by entering your name and clicking Accept.
12. **Click Next.**
13. **Do not change** the contact information. Click Next.
14. **Proceed to the payment** and pay online with a cred or debit card .
15. **The box in the upper right corner** of the application shows the details of how your application complies with the tournament rules. The signatures box will be red, show a "1" after you sign. That will change to "2" and then clear when it is approved and signed by the association registrar. You can check back on the status by logging into your member account at sysa.org and clicking on Spring Soccer on the bottom of the member page.

**NOTE: For spring soccer players and coaches may choose their team. This will not change the assignemtn of players for fall teams which is done in strict accordance with SYSA rules of recreational soccer by the club registrars.**

For problems with team registration, contact the SYSA registrar registrar@sysa.org.
